Your Gifts at Work! Foundation Presents Check to District 118 for Dick Van Dyke Auditorium Upgrade

Pictured from left to right: Board of Education President Dr. Randall Ashton, Superintendent of Schools Dr. Alicia Geddis, Danville Public School Foundation President Curt Ellis, and Foundation Executive Director Bob Richard.

The Danville Public School Foundation presented a “big” check to Danville District 118 for the Foundation’s portion of the recent renovation of the sound, lights and rigging at the Dick Van Dyke Auditorium at Danville High School. This project was brought to the Foundation’s attention by DHS Choral Director Jeffery Thomas, Band Director Ryan Krapf, and Orchestra Director Gage Womack with the goal of providing the best possible performing environment for their students.

The project was a partnership with Danville District 118. This was the Foundation’s largest single gift since its establishment in 1989. The Foundation is grateful to the late Julius W. Hegeler II for his substantial bequest and to all of our donors who made this project possible.
